

LETTER FOR SCHOOL ADMINISTRATION SUPPORT

If you think the letter would have more impact coming from you personally, feel free to re-write it and put your own name and title at the bottom (for example: Jane Doe, Famine Group Leader).

Dear: [Name]

Last year, thousands of Canadian youth chose to take part in World Vision Canada's 30 Hour Famine®. They took a stand against hunger, poverty and injustice. This year, students at your school have decided to take part in the 30 Hour Famine and raise funds for projects that provide nutrition, education, protection and water for children living in poverty.

I am writing to ask for your support during the Famine event. It provides excellent leadership training for your students, and they can earn volunteer hours. What's more, it gives your school the opportunity to be a leader in the fight against global injustice.

In order to help your students hold a successful Famine event, please consider giving participants permission to use their class time during the 30 Hour Famine. You might also consider allowing them to use school facilities - such as the PA system, AV equipment, gymnasium, and school grounds before and during the Famine event.

If you have any questions about the 30 Hour Famine event or World Vision Canada, please contact

1-888-8FAMINE or visit **FAMINE.ca**.

Thank you for your support.

Sincerely,

T.J. Grant

Manager, 30 Hour Famine
